COVID-19 Community Standards	https://unc.policystat.com/policy/8961382/latest/

- Combined Community Standards and four University Guidelines from Fall into one document named “COVID-19 Community Standards” and edited for clarity and cohesiveness.
- Section 3 - Changing from prohibiting all gatherings or events on-campus (unless an exception is approved by the Provost) to limiting gatherings and events to 10 people indoors and 25 outdoors.
- Section 5 - Addition of the Carolina Together Testing Program.

The Roadmap Implementation Team made changes to the COVID-19 Community Standards based on lessons learned from the Fall semester. The most significant change is the creation of the Carolina Together Testing Program.
